

Misha Cvet

Misha Cvet was born on October 3, 1995 in Khabarovsk, Russia. After some years he moved to Maykop where spent youth. Nowadays lives and working in Moscow. He started drawing in 2008 from graffiti and until 2015 mostly painted graffiti on walls and paper. However in 2015, Misha began making digital illustrations, canvases and art works that are no longer always associated only with graffiti. When writing artworks, he tries to interpret the received life experience and relies on internal feelings, preferring to work in the style of symbolism or surrealism ✨.
